

## Voluntary Payment of Class I Social Security Contributions

### Overview

The Voluntary Payment of Class I Social Security Contributions is to avoid having gaps in the record of social security contributions. The Maximum rate of Class I social security contributions is paid as per Article 13.1 under the Social Security Act ([Cap. 318.](#))

### What you'll get

Through such social security contributions payment, a person enhances his/her record of social security contributions and therefore his/her eligibility to a Social Security Contributory Pension.

### Eligibility
