

## Voluntary Payment of Class 2 Social Security Contributions

### Overview

The Voluntary Payment of Class 2 Social Security Contributions is paid to avoid having gaps in the record of social security contributions.

### What you'll get

Through such social security contributions payment, a person enhances his/her record of social security contributions and therefore his/her eligibility to a Social Security Contributory Pension.

### Eligibility

General eligibility criteria:

- Applicants were/are Employed/Self-occupied during the insurability period/s intended to be covered with the application
- Applicants are partaking in an Early/Voluntary retirement scheme (ERS/VRS), as approved by the Government of Malta
- Applicants were paying Class 2 social security contributions up to 5th January, 2004

### Documentation Required

General documentation:

- In case an applicant partook in an ERS/VRS Scheme, a copy of the ERS/VRS Agreement is to be attached with the application

### How to apply

Fill in and submit the application [online](#).
